Re: Stanley Park Tenants Association v. Fair Housing Development Fund, Inc.
CV-15-6225 (JS) (AYS)

Dear Magistrate Judge Shields:

Pursuant to Your Honor's Order, please consider the following as the parties' joint status report in the above-referenced matter. The parties are in the process of responding to the supplemental requests for production of documents as identified during the course of depositions and request until May 26, 2020 to respond to said demands.

Defendants note that all depositions have been completed. On January 13, 2020, defendants served a post-deposition demand for documents from Danielle Willis. On February 12, 2020, they served a post-deposition demand for documents from Caroline Rafenski. Those are the only outstanding requests for the production of documents that have been served. Defendants have not yet received a response. Additionally, the defendants plan to move for summary judgment following the completion of discovery, and, at the appropriate time, wish to propose a briefing schedule.

Thank you for your consideration of this application.

Very truly yours,

/s/ Harriet A. Gilliam
